SHOP BARRINGTON FIRST

Shopping locally ensures that your local merchants will thrive. It is convenient and enjoyable but more importantly, makes financial sense. A portion of the sales tax dollars generated by purchases in the Village comes back directly to the community. This Shopping and Dining Guide is designed to provide you with a wide assortment of goods and services. Please adopt the “Shop Barrington First” motto and help ensure a vibrant and healthy Barrington.

Shop for the Cause is a program designed to contribute to the fundraising efforts of area organizations while supporting Barrington’s merchants. On designated Saturdays throughout the year, shoppers can present a voucher at participating merchants. The transaction is recorded and a percentage of that sale will then go to a nonprofit. For more information about Shop for the Cause, please visit the Village web site at www.barrington-il.gov.
